WHAT I WANT FROM MINDTRIP

1. Validate all timings - flag impossible connections
2. Budget lunch/dinner **near each day's route**
3. Optimize walking order (no backtracking)
4. Flag tight days: **Nov 21, Nov 24, Dec 3, Dec 5**
5. Metro lines when walk > 20 min
6. Map-ready stop list per city on request

Start: Validate Nov 21 Neuschwanstein + Dec 5 CRL?Midi?Rogier. Then suggest 3 budget dinners near each hotel.
